ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2009-2010 school year, this district did not make AYP. More information on this district's performance on the AYP measures is provided below.

Student Group	Reading		Math		Additional Academic Indicators
